HAS AND MILLS.

Marine and the patille generally, that he is now

the is determined to send it is good Gins as can be had at any other establishon he North or South. And any person who tries one these trins and it should not perform equal to any ther style of Gins in the country, both in quality and quantity of fint, can set it aside and have another that will, free of cast. He has now in use in this and adjoining counties, a number of his Gins, and for information in relation to them, he would refer you to Dr. Young, Henderson Lee, John Rice, Mr. Bean and others of Lowndes county; John Hollinshead, Dr. Gillespie and others of Oktibbeha Co.

Mr. John Rice, above mentioned, has one of hissaw Gins which is making him five bales of good fint per day. John Hollinshead has one of his 45 saw Gins which is making three bales of good lint per day. Farther reference is unnecessary-try one of his Gins, and if it does not perform well, send it back 1 and get another until you get one that will.

AS TO HIS MILLS They are the Best now in Use.

As a proof that he believes what he says, he proposes to give any man a first rate Mill that will produce one equal to his in every respect-or he will give any man a Mill that will produce one that will grind as much good meal in twelve months with as little repairs-or he will give any man a Mill that will find a man that has been using one of his Mills six months

GINS, MILLS AND SPINNING MACHINES repaired at shortest notice and in workman like man- ties pertaining to the Tonsorial art. ner. All work warranted, and it is expected that every man who gets work done at his shop will report forthwith any thing that may chance to be wrong, otherwise their complaints will not be listened to at N. F. McCRAW. Columbus, Miss., April 14, 1853.

Will attend to all business entrusted to his care, with promptness and fidelity.

Refer to—J. H. Turner, Jas. M. Wynne, and Charles in the level of the substance of these revelations. Judge below they inculcate, the limity, the elevated morality they inculcate, the force of these revelations. Judge below the substance of these revelations. Judge below the for the substance of these revelations. Judge below the mercantile community in consequence. For the last year or two the great struggle among the bauks has been as to which of them could maintain the largest line of bills receivable, and so make the force ourse.

While all barries and fidelity.

Refer to—J. H. Turner, Jas. M. Wynne, and Charles in the force, by way of argument, is claimed for the event struggle among the bauks has been as to which of them could maintain the largest line of bills receivable, and so make the force ourse.

While all barries and fidelity.

Refer to—J. H. Turner, Jas. M. Wynne, and Charles in the force ourse.

While all barries are the force ourse.

While all barries are truggle among the bauks has been as to which of them could maintain the largest line of bills receivable, and so make the force ourse.

While all barries are truggle among the barries and the pecuniary suffering of the race-course.

While all barries are truggle among the barks has been as to which of them could maintain the largest dividends.

While all barries are truggle among the barks has been as to which of t 41:x fresh and conclusive evidence is found of their very fast. The utmost limit was at length reach-dollar a gallon for the juice.

Hou, Jeffersen Bavis and Senator Toombs.

V. A. Gaskill, Esq., of Fayetteville, Geogia, communicates to the Griffin Jerfersonian a letter from Hon. Jeff. Davis in reply to charges made by Senator Toombs during the canvass. These gether with the cabiret of Gen. Pierce, "responsible for the idea of building the Pacific railroad with money taken from the treasury of the United States." Mr. Gaskill denied their truth, and forwardedthem to the Secretary of War, in the hope of receiving a reply before the day of the Georgia

Washington, Sept. 21, 1853. ill health has combined with constant occupation us far, to delay my reply.

Before proceeding to notice the political questions to which yot call my attention which you inform me Mr. Toombs has made against me. You say, "He denounced you as a disunionist sitting in the councils of the nation." During the controversy of 1850, in relation to the rights of the South, and some time since appointed Consul of the United struments they employed. I then said before the States at Genoa, would not be received by the Senate, if any gentleman makes the charge I will

in capturing the treasure, and returned in safety. er, Carlo Alberto. (since dead) was rewarded with ions were freely expressed. They are spread on more against us, and tries to compel the Sardinian spoke of it as the last remedy, the final resort-one without my regard to hitting their opponents. If ally of Switzerland, and thereby hangs a tale.— those with whom I acted, as is shown by the restless have made a great noise, are not taken or The Union significantly adds: our consul his exequatur. Sardinia is the natural should not appeal, and such was the position of

the extreme to which he went, both before and long ples and constitutional rights invovled had been fully discussed.

In conclusion of this matter, I will only say that

I send you printed copies of the speecches I made which Congress has made grants of contiguous

The expediency is to be considered in connection with all the political, physical and administrative questions which enter into it. The mode of sponsible for a particular plan of proceeding, when I had proposed none, when, from the dependence
